R.O.C.3020-23-V.2. South Kanara Collector's Office,
Mangalore, 26th September 1923.

28 SEP
LAND REVENUE DEPT.

From

G.W. Wells, Esquire, M.A., I.C.S.,
Collector of South Kanara.

To

The Secretary to the Board,
Land Revenue and Settlement,
Madras.

Sir,

Establishment - South Kanara District - Probationary Revenue Inspector Janardhana U. - Age limit - Exemption - Applied for.

*****

A vacancy having occurred in the Probationary Revenue Inspector's post in this district, I propose to appoint to it one U. Janardhana who has passed the B.A. Degree Examination. The special reasons for his selection are (1) that he is the 1st graduate in the Golla Community (Non-Brahmin) to which he belongs, (2) that his community has not yet been represented in the superior Government service in this district, (3) that he holds good testimonials (copies enclosed) from Mr. Ellis, the former Collector of this district, and from Messrs. N. Subba Rao, District Board President, N. Venkat Rao, Municipal Chairman, M.S. Pais, Revenue Divisional Officer Mangalore and M. Achuthaya, retired Huzur Sarishtadar, (4) that he belongs to a poor family and made great efforts to get himself educated, having been helped during his course for the B.A. Degree Examination by Mr. Ellis with a grant of Rs.80/- from the Collector's discretionary grant, (5) that he has borne a good character and (6) that as observed by Mr. Ellis in the

testimonial granted to him he is deserving of every assistance and encouragement. He is, however, overaged, his age being now 26 years. I request that he may be exempted from the age limit under G.O.No.1941, Revenue, dated 26th June 1911 and B.P.No. Mis.791 L.R., dated 10th April 1923. Similar instances of exemption of Probationary Revenue Inspectors from the age limit already exist in this district. In 1917 Probationary Revenue Inspector, Suvarna (Billawar Non-Brahmin), who was aged 28 years, was exempted by the Board in B.P.No.752 Routine (L.R.), dated 26th February 1917, and in 1920 Probationary Revenue Inspector, B. Ganapathi (Jogi Non-Brahmin), who was then 26 years old, was exempted by Mr. Ellis under paragraph 8 of B.S.O. 127. There are other graduates belonging to backward classes and under 25 years of age who have applied, but I recommend that the age of U. Janardhana may be overlooked on the ground of his humble circumstances and his efforts to get himself educated, which have culminated in his graduation.

Your obedient servant,

26.9.23

Collector.

Copies of Testimonials, etc.

U. Janardhana is a young man of the Golla Community, the first in his community to complete his School Final. He has also passed his Intermediate and is now reading for the B.A. As he belongs to a poor family, I helped him with a grant of Rs.80/- from my discretionary grant. He has acted for about two months as a clerk in Government service.

He has always borne a good character and in view of the - backwardness of his community he is deserving of every -- assistance.

(Sd) R.H. Ellis,
Collector.
13.1.1922.

I know the bearer U. Janardhana of Ullal. He has just passed his B.A. Examination. He belongs to a poor family of the Golla Community. With difficulty he ----- prosecuted his studies up to the B.A. class and I know -- that he was helped to a considerable extent by Mr. Ellis, the Collector of South Kanara, by allotting a substantial sum from the discretionary grant to continue his studies. Now that he has completed his studies, he deserves every encouragement inasmuch as he is the only graduate in his - community. So far as I know there is no member of his - community in the superior service of Government. He has, therefore, superior claims to be entertained in Government service in the grade of upper subordinates. I wish him success and I hope he will succeed in getting an ---- appointment in the upper grade.

4. 6. 1923.

(Sd) Marian S. Pais,
Deputy Collector,
Mangalore.

I have known Mr. U. Janardhana and his family for some years past. He belongs to the Golla Community. He has passed the B.A. degree Examination. He is the first graduate in his community. His character and conduct is good. He is a well-behaved young man. He wishes to -- join Government service. I strongly recommend him.

3. 6. 1923.

(Sd) N. Subba Rao,
President, District Board, S.Kanara,
Rao Bahadur & Ex-member of the
Madras Legislative Council.

I have known Mr. U. Janardhana and his family ----

fairly well for some years past. He belongs to the --- Golla Community. He has passed his B.A. degree Examination and is the first graduate in his community. I --- understand that he wishes to enter Government service. Since he is the only graduate in his community and there is none of his community members holding any responsible position in the Government service. I think his case -- requires special consideration. I sincerely wish him success.

4. 6. 1923.

(Sd.) Nellikai Venkat Rao,
Chairman, Municipal Council
Mangalore.

I know U. Janardhana well. In 1920 he had acted as clerk in the Collector's office for about two months. and had given satisfaction in both as regards work and - conduct. He then continued his studies for the B.A. Examination and has just come out successful in the examination. He belongs to the Golla Community which is a very backward community and is the only graduate in his community. So far as I am aware, there is not a single person of his community in the superior service of ----- Government. His circumstances are very poor and he --- prosecuted his studies up to the B.A. with much difficulty. He a great desire to enter into Government ---- service. In the circumstances stated above, he really deserves encouragement.

Humble representation of H. Narsappa, B.A., Acting Clerk, South Kanara Collect-or's Office, Mangalore, dated 27-9-1923.

Most Respectfully sheweth,

That your petitioner is a graduate of the University of Madras, has passed Revenue Test, Cri-minal Judicial test, has been working in the Collec-tor's Office as an acting clerk for the past 3½ years, belongs to the most back-ward class of Billawars and is a Brahmo by religion which sect is not represent-ed in the cadre of probationary Revenue Inspectors,

That he is one of the applicants for the post of Probationary Revenue Inspector, and the only applicant from amongst the acting staff of the Ha-zur office, possessing over the other candidates besides service the additional qualifications of having passed the the tests referred to above.

That he understands the District Collector has been pleased to address the Hon'ble the Board of Revenue to exempt from the operations of age bar, -- one Mr. U. Janardhan, one of the candidates for the post of the Probationary Revenue Inspector.

In his connection your petitioner in all humility ventures to submit that the exemption asked for if granted, will act very prejudicially to the interests of your petitioner.

Mr. U. Janardhan is only a graduate, and is over-aged, the only point in his favour being

that he belongs to a Community which is unrepresented, while your petitioner has all the qualifications and is within the prescribed age limit. Your petitioner belongs to the non-brahmin Community which while being the most back-ward Community in the District, forms nearly a fourth of the whole population of South Kanara. While the candidate in whose favour the Collector has addressed the Board belongs to the Golla Community which is insignificantly small. At present the petitioner belongs to the Brahmo Community of Mangalore and which is not at all represented in the cadre of Probationary Revenue Inspectors.

In the course of the last seven years two Roman Catholics have already been selected as Probationers and in view of this precedent and in view of the large Billavar population the petitioner claims proportional representation.

Your petitioner who is a family man belongs to a respectable family having relations in high judicial positions and has been working patiently for the last three years or more waiting for his own turn. He had further the ill-luck of failing in his attempt to secure the same post last year, which was given to a son of the Hanur Heristedar who was just then retiring from service.

The Treasury [illegible] Collector, and [illegible] your petitioner has been serving all through, has always [illegible] his application very favourably.

Your petitioner will [illegible] irreparable injustice if in spite of his having better qualifi-

himself over all other candidates, in spite of his --- service in the Department, in spite of his being a member of a large back-ward Community and above all in spite of a very favourable recommendation from his immediate superior viz., the Treasury Deputy Collector, should be allowed tobe trodden over by an out sider, -- who both in the matter of merit and age could possibly have no claim for preferential treatment. In this connection your petitioner begs to add that he having to undergo only the course of Survey Training can -- immediately on the termination of his Probationary -- period be put in charge of independant work while -- a direct recruit may cause unnecessary loss to Govern- -ment if he fails to complete the tests within the -- prescribed period.

Your petitioner is further under the dis- -advantage of being over aged next year and his pros- -pects will be blasted for ever. Prays therefore -- the Hon'ble the Board of Revenue may be graciously pleased on generous consideration of all the facts setforth above, to with hold the granting of exemp- -tion asked for and to direct the Collector to fill up the vacancy otherwise having due regard to the -- claims of your petitioner.

Submitted with reference to my R.O.C. 3020-23-V.2, dated 26th September 1923.

2. The petitioner is a Billavar. A --- Billavar named J.S. Suvarna was appointed as --- Probationary Revenue Inspector in 1917; he was - then 28 years of age, i.e. three years over age.

The petitioner's caste was, therefore, -- given its opportunity in 1917, even by over-riding the age limit.

3. I disregarded the petitioner's claims in selecting U. Janardhana, because the petitioner's caste has already had its turn. Instead of asking for another place, petitioner should have recognized that communal representation is the means of giving other castes their - turn.

4. The Billavar Community is not the most backward community in the district.

5. The petitioner's service as an acting clerk and the departmental examinations he has - passed have nothing to do with the choice of a - Probationary Revenue Inspector, except as between him and others of the same caste, provided it is the turn of his caste to be chosen.

6. The submission of petitions of this -- kind to the immediate superiors of the head of - the office flatly contradicting his recommendations in my view approximates very closely to --

Honoured Sir,

Being highly aggrieved by the news of the appointment of one Mr. Janardhan for the post of a probationary Revenue Inspector for the South Canara District, I beg to submit the following for your Honour's kind consideration

My claims are, perhaps, as good as, if not better, than the present incumbent. I too am a graduate of the Madras University and belong to one of the most backward Communities in the whole of this Presidency

By caste, I am a fisherman - a community which, inspite of its vastness, is indeed very scantily represented in Govt Service. Being highly aggrieved by the news of the appointment of one Mr Janardhan for the post of a probationary Revenue Inspector for the South Canara District, I beg to submit the following for your Honour's kind consideration.

Submitted in continuation of my letter R.O.C 3020-23-V-2 of 26th September 1923. [illegible]

My claims are, perhaps, as good as, if not better than the present incumbent's. I too am a graduate of the Madras University and belong to one of the most backward communities in the whole of this Presidency.

The petitioners claims were duly considered by me at the time of selecting Mr Janardhan for the exemption from the age rule I have applied to the Board in the letter above quoted.

5/10/23. Coll^r.

By caste, I am a fisherman — a community which, inspite of its vastness, is indeed very scantily represented in Government Service. Moreover I am, perhaps, the only graduate of my community to enter the South Canara Collectorate. In this respect, I am better qualified than Mr. Janardhan. My College Principal's certificate, copies overleaf, will, I am certain

be the only graduate of his Community in the District. I feel confident he will not fail to give satisfaction in the Department in which he is seeking for a post and heartily wish him every success.

fully convince your Honour on this matter.

2) — Further, I have no such disqualification as that of age limit. I am under only 22 my date of birth being 2nd July 1901.

So, in consideration of the facts that the fishermens' community is large and as such more deserving than that of any of the candidates and that I am the first man of my community to be entertained in the South Canara Collectorate Library, I hope your Honour will be graciously please to grant me the post sought for. The very birth of my community ought to place my claims ~~above~~ higher than those of any other
